## Reception Class New Term Project

Dear Parents and Carers,

Welcome back and Happy New Year to you all. Reception children have made a fantastic start to school life since September and have been 'wowing' us. Please find attached an overview of the learning planned for terms 3 & 4 within our project of "Space"

We will be having a 'wow morning' on Monday 29<sup>th</sup> January where we will have an outside visitor, who has worked with Tim Peake, coming in to lead a hands-on space workshop with the children! We will end our project with a visit to We the curious, formerly known as @Bristol, on Wednesday 21<sup>st</sup> March. We would also like to invite parents in to watch our space dance video and take this opportunity for the children to showcase their learning that they have completed across the terms. The date for this will be Monday 19<sup>th</sup> March at 2.30pm in Reception Class's classroom.

We have attached a project map but as we go along the children's interests may take us in new directions and we will look for opportunities to develop these interests and extend their learning. If you are able to help in school, on our trip or contribute your knowledge to our project, we would love to hear from you.

If you have any questions or concerns about your child's education, please do not hesitate to contact us.

With thanks for your continued support.

The Reception Team
