## **Year 3/4 New Term Project**

Dear Parents and Carers,

We are really excited for this term and cannot wait start our new project for the next two terms which is "Who is responsible?" We will looking at our planet and how to look after it. Please find attached a project map which gives an overview of our planned learning for terms 5 and 6.

We will have great fun launching our project with our WOW day on Wednesday 24<sup>th</sup> April where we will be making arts out of recycled goods. We will also be holding a 'save the planet event' which you are invited to join us for in July. Dates to be confirmed. This will be an exciting opportunity for the children to share their learning you.

As our learning is led by the children and their interests we will look for opportunities to develop these curiosities and extend their learning. Therefore, these may take us in new and different directions from those listed here and on the attached project map. If you are able to help in class, with resources, on trips or contribute your knowledge or skills to our project, we would love to hear from you.

Regular reading at home is vital to children's develop and has a huge impact across all their learning. We therefore ask that you continue to encourage and support your children with reading at home.

If you have any questions or concerns about your child's education, please do not hesitate to contact us.

We are looking forward to the year ahead,  
The Year 3/4 Team
