

<div><div></div><div><h3>History and Geography</h3><p>We will be learning about the history of toys and how they have changed in living memory. We would love to hear your memories of the toys you and your family played with as a child.</p><p>In the second half of the term we will be learning all about the cause and effects of the Great fire of London.</p></div></div>	<div><div></div><div><h3>Physical Education</h3><p>We will be exploring fundamental skills using the REAL PE scheme. Future Stars PE company will be with us in term 4</p></div></div>	<div><div><p>We will learn to recognise that different devices can be used to capture photographs and will gain experience capturing, editing, and improving photos. Finally, they will use this knowledge to recognise that images they see may not be real.</p><p>We will develop understanding of the various aspects of using a computer to create and manipulate text, becoming familiar with the keyboard and mouse and make choices about the changes that can be made,</p></div><div></div></div>	<div><div><h3>Science</h3><h4>Materials and their properties.</h4><p>We will be identifying and comparing different materials on the basis of their properties. and why their properties make them useful for different jobs. We will find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching. We will investigate whether a material can float and how this is effected by it's shape.</p></div><div></div></div>	
<div><div><h3>Maths</h3><p>We will be following the White Rose mastery maths planning and use Concrete (practical resources), Pictorial (drawing) and Abstract (numbers) approach to learning.</p><p>We will be using objects for children to add, subtract, multiply or divide. They then progress to using pictorial representations of the object, and when they are secure with this we then move to using symbols. We use number lines to help us count on and back from any number.</p></div><div><table><tr><td><h4>Year 1</h4><p>Addition and subtraction (within 20) Place value (within 50) Measurement: Length and height Weight and volume</p></td><td><h4>Year 2</h4><p>Multiplication and division Statistics Properties of shape Fractions</p></td></tr></table></div></div>	<h4>Year 1</h4> <p>Addition and subtraction (within 20) Place value (within 50) Measurement: Length and height Weight and volume</p>	<h4>Year 2</h4> <p>Multiplication and division Statistics Properties of shape Fractions</p>	<div><div><h3>Kingfisher and Puffin</h3><h4>Terms 3 and 4 2022</h4><p>What Story could Your Toy Tell?</p></div><div><p>What happened during the Great Fire of London?</p></div></div>	<div><div><h3>English</h3><p>We are reading the story of Traction Man by Mini Grey. We will explore and predict events in a story, understanding how characters act and draw on inferences to help us understand them. We will explore narrative plots and role play and use these to help us write our own action stories and comic strips.</p><p>We will be reading non-fiction books as we learn about the Great Fire of London.</p></div><div></div></div>
<h4>Year 1</h4> <p>Addition and subtraction (within 20) Place value (within 50) Measurement: Length and height Weight and volume</p>	<h4>Year 2</h4> <p>Multiplication and division Statistics Properties of shape Fractions</p>			
<div><div><h3>RE</h3><p>How do we celebrate our journey through life? Through this unit, we will be identifying important events in our lives and how they can be marked or expressed by different groups. We will also be identifying artefacts and symbols associated with events that mark important times in life.</p></div></div>	<div><div><h3>Music</h3><p>This term we will be learning songs by memory with enjoyment, some expression and a sense of the shape of the melody. We will listen carefully and recall short rhythmic and melodic patterns. We will begin to become more controlled when playing percussion instruments.</p></div></div>	<div><div><h3>Art</h3><p>We will be developing our drawing and painting skills using images and our project.</p><h4>Design and Technology</h4><p>We will be designing and making a hand puppet which we will use to tell stories. We will also will be designing and making moving pictures and toys.</p></div></div>	<div><div><h3>PSHE</h3><h4>Dreams, Goals and healthy me</h4><p>We will be setting goals, identifying our successes and our learning styles. We will understand why it is important to keep ourselves healthy and make healthy and safe lifestyle choices.</p></div></div>
