

## Coffee morning (Coffee and catch up) questionnaire.

This is an opportunity for parents/carers to get together in an informal way over a cup of coffee or tea (cake and biscuits are also available). It is open to all parents and carers across the school and is a great way to meet new people or catch up with those you already know. Although there are no crèche facilities younger children are welcome and toys are available for them.

If you would like to speak to any of our regular attendees, myself (Mrs Watson), Mrs Appleyard: Ray (Alex's mum), Carol (Lilly's mum), Loxi (Woodie's mum) and Claire (Mia's mum) we are willing to answer any questions you may have about the coffee morning.

Please would you complete this questionnaire so we can make sure it is accessible to as many parent/carers as possible.
