

# DANGER AROUND !

---

On 24<sup>th</sup> of August AD 79 , Mount Vesuvius erupted ! It was by Pompeii . Lots of animals and people died because of the ash , lava and rock that came crashing down CRASH BANG .

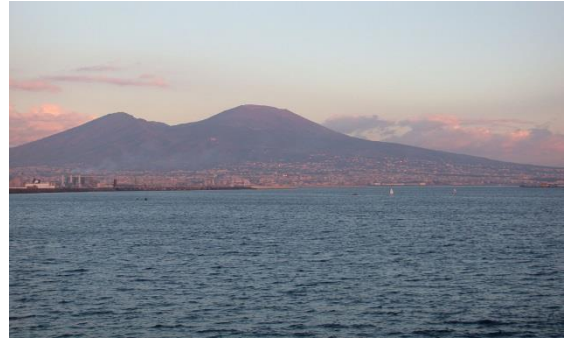

## *Before it all happened*

Pompeii was a beautiful place , with plants growing by their protector Mount Vesuvius there was a little earthquake but they didn't know that Mount Vesuvius was going to erupt .

## *Start of the event*

Eighteen hours later , the sky turned black ! The sky was morning then night . All of the black was ash , smoke , steam , and rock that was falling from the sky !

## *Erupted*

**Bang!** Mount Vesuvius erupted ! Lava came crashing down from the volcano ! It was crashing down at one hundred mph ! It was five hundred 'C . It destroyed all of the vegetables , plants , fruit , horses , dogs , cat !

## *Chaos*

Everybody was screaming , people were going back for money and precious things . They were falling over that meant they were slower to get away from the lava . Dogs were barking , horses were naying and cats were meowing .It was chaos!

## *Calming down*

A couple of days later it ended . The city was covered in rock , ash and mud . The people's bodies were left along with half of houses ,dog's bodies , cat's body's and horses body's . The city of Pompeii was no more .
