We engage
with children
through fun
food activities.

Since September 2014, children in reception and years 1 & 2 are entitled to FREE school meals through the Government's 'Universal Infant Free School Meals' initiative. So who are we? We're Chartwells and are responsible for preparing your children's tasty meals. We love to help children discover and learn about the food they eat, where it comes from and how it's prepared. It's great fun for them and us!

*This saving will depend on the cost of a meal at your school.

Lovingly prepared,
tasty and nutritious
school meals.

We are proud
to have our own
team of registered
nutritionists.
