Term 1

25th October 2018

Dear Parents and carers,

What a successful first term back to school!

The children have all totally immersed themselves in their learning and are really settled in their new classes. It is a privilege to walk around the school and hear the children talk about their projects so enthusiastically. Thank you to everyone who has supported the children by coming into school for the various events that have happened too.

Thank you to everyone who brought donations in for the Foodbank today. They have now been collected and will help people in our local community.

Thank you also to everyone who attended the Friends AGM today. Our appreciation goes to Anita and Kim who have stepped down from their roles as Vice Chair and Secretary respectively. The new Vice Chair will be Ray Dawson, and Ingrid Loh will be taking on the Secretary position. Congratulations and welcome to both.

It is really important, to ensure the safety and well being of all children, that we have an up to date list of children who can collect them from school. The class teacher will challenge if someone tries to collect your child who is not on the list (including older siblings within the school). This may mean we have to phone you, which is obviously time consuming. If you need to update your form please speak to the office team.

We have decided to no longer continue sending a newsletter fortnightly, as it's not always necessary, from next term we will send out a newsletter only when required, and email other information as and when it's needed.

Finally, we hope the children enjoy a rest next week. Please try to enjoy some quality family time together and we look forward to seeing everyone back on 5th November.

Kind regards
Claire Pocock
Headteacher

The first fireworks were made in China
nearly 2000 years ago.

They were made using pieces of
hollow bamboo to hold the gunpowder in
and were known as 'firecrackers.'
