## **Year 1 and 2 New Term Project**

Dear Parents and Carers,

We hope you are all well at this time and staying safe. For the next term, our home learning project will be HOW DOES JACK'S BEANSTALK GROW? Please find attached a project map which gives an overview of what that project could include. In this unprecedented time it is important that well-being and staying safe is the priority so the aim of this project is to be open ended so you can work around the themes/ questions and let the children's interests steer you. If you have any questions or worries, please do not hesitate to contact us.

In the planning, we have tried to include some fun activities that we hope the children will enjoy. We would love to see photos of what the children have been up to. These can be sent to our email ([trish.philpott@banwellprimary.co.uk](mailto:trish.philpott@banwellprimary.co.uk), [clare.gibbs@banwellprimary.co.uk](mailto:clare.gibbs@banwellprimary.co.uk), [jo.browett@banwellprimary.co.uk](mailto:jo.browett@banwellprimary.co.uk))

Spelling Shed, Numbots and TT Rockstars (Y2) will be updated regularly with things to practise. We will continue to put resources and links on our website and eSchools class pages that we think will be helpful to you. Keep posted for random challenges and well- being inspired activities.

If you are struggling with the learning, well-being or in need of anything, we are here as a school and as a team.

Stay safe and keep in touch

The Key Stage 1 Team.
