## Year 5 New Term Project

Dear Parents and Carers,

I hope you are all well at this time and staying safe. For the next term, the project will be OUR POLAR WORLD: PROTECT IT OR LOSE IT? The main focus of which will be Antarctica. Please find attached a project map which gives an overview of what that project could include. In this unprecedented time it is important that well-being and staying safe is the priority so the aim of this project is to be open ended so you can work around the themes/ questions and let the children's interests steer you. If you have any questions or worries, please do not hesitate to contact me.

In the planning, I have tried to include some fun WOW moments that the children will enjoy. Designing and making a boat, publishing work in different ways and some fantastic research opportunities. I would love to see photos of what the children have been up to. These can be sent to my email ([kaylee.rose@banwellprimary.co.uk](mailto:kaylee.rose@banwellprimary.co.uk))

TT rockstars and Spelling Shed will be updated regularly with things to practise. I will continue put resources and links on our class web page that I think will be helpful to you. Keep posted for random challenges and well- being inspired activities.

If you are struggling with the learning, well-being or in need of anything, we are here as a school and as a team.

Stay safe and keep in touch

The Year 5 team.
